

PUBLIC LEDGER

WEEKLY REPUBLICAN—1907.
DAILY PUBLIC LEDGER—1890.

MAYSVILLE, KY., FRIDAY, SEPTEMBER 15, 1905.

ONE COPY—ONE CENT.

THE LEDGER delights in obliging its friends. It prints "Help Wanted," "Situations Wanted," "Lost" and "Found" notices free of charge; and as it costs you nothing for such service, don't you think it is as little as you can do to write the copy and either bring or send it to the office?

If you have an item of news, please call up The Ledger, Telephone 33, and let us have it.

Kinny has skipped out. Where is he?

Taylor at Washington pays 20 cents for eggs.

Mr. S. B. Chunn is expected home today from his trip West.

Captain John T. Martin received \$14,000 for his Hill City pike farm.

There is some talk of reorganizing the Odd-fellows Lodge at Carlisle.

The State Development Convention is to be held in Louisville October 10th, 11th and 12th.

Miss Porter Perrie now has a lucrative position with Marshall Field & Company in Chicago.

Mr. Jerry Jett, a prominent farmer of near Germantown, was found dead in bed at his home Monday.

Mrs. Fannie Mikel returned from Cincinnati and will take her old position as trimmer for Mrs. M. Archdeacon this season.

Farmer Fred Bauer, who knows just how it is himself with the needy Printer Man, has thanks for a sack of the finest roasting-ears that ever grew in the county.

Albert Harry, indicted with Mrs. Belle Rayborn for the murder of John Rose at Epworth, went to Vanceburg from Portsmouth a few days ago and gave himself up, but was released on \$3,000 bond.

Mr. T. F. Griffin, Freight Agent of the L. and N., was in the city yesterday looking after the interest of his road. Accompanied by Councilman Ficklin he was making the acquaintance of our merchants and shippers.

I have now in my employ a very capable workman. We will give special attention to watch, clock and jewelry repairing of all kinds, promising prompt attention and low prices. P. J. MURPHY, the Jeweler.

The McEwan brothers, here on a visit to the family of their uncle, Major John Walsh, of East Second street, bought a pair of match bay harness horses from Colonel W. W. Baldwin for which they paid \$1,500. They were beauties, if they did come high.

Miss Florence Wilson, teacher in the Fourth Ward School, has a state certificate, and in her examination she had an average of 95. Miss Wilson is a graduate of the Maysville High School and the high grade accorded her speaks well for the young lady as well as the school.

A telegram was received here yesterday announcing the death of Mr. Thomas Adamson in Cincinnati Wednesday. Deceased leaves a wife and two children. Mrs. Adamson was formerly Miss Ella Bliss, sister of Mrs. Simon Nelson of East Second street. The remains will arrive today on the 1:35 train and the interment will be in the Maysville Cemetery.

The continued good houses that are greeting the Lyceum Comedy Company at the Opera-house give evidence that the players and the plays are satisfying the people. Tonight "Rip Van Winkle" will be presented, and the management decided to again extend to the ladies the courtesy of free tickets under the usual conditions, if seats are purchased before 7 p. m.

Relatives of the two men, Brevard and Hughes, charged with a serious offense, were in the city yesterday trying to patch up a truce to further litigation. They stated the reason the accused eluded the officers was because of a report reaching them that a mob awaited their arrival here to lynch them. They were assured such was not the case, and it is likely the men will come in and give themselves up.

In this impression of THE LEDGER will be found the announcement of Squire John Ryan of Washington as an Independent candidate for the Legislature. Mr. Ryan is no stranger to the people of Mason county. For several years he was a member of the Fiscal Court, always the friend of the tax-payers, and was subsequently Superintendent of the County Infirmary, conducting the affairs of that institution to the satisfaction of the people. If elected, he will serve the county honestly.

"ONE OF THE FEW!"

How Judge Coons Greeted Judge Parker at Yesterday's Meeting

The presence here yesterday of Judge Alton B. Parker, who had come to argue an important case before Judge A. M. J. Cochran in the Federal Court, very naturally attracted a large number of persons who were desirous of seeing the late Democratic candidate for the Presidency.

This desire was not confined to Democrats alone, many Republicans paying their respects to the Judge, whom every American citizen should delight to honor.

Among the former, however, was Judge William P. Coons, whose Democracy is almost equal to his religion, and here's about the way the compliments followed the introduction—

"I am much pleased to meet you, Judge," said Mr. Coons, shaking the hand of Mr. Parker, "and to assure you that I was one of the few who voted for you."

DOLEFUL DREAM

A Colored Citizen Laments the Lack of "Enthusiasm"

George Campbell, the boss janitor at the Mayor's office, is in a peck of trouble, and all on account of a dream.

George's mind is disturbed over the undue quietness in matters political. The colored politician has forebodings in regard to the monetary outcome of this unseemly state of affairs on election day.

Yesterday, while resting on a seat afforded by the water-table of the Presbyterian Church, he accosted a passerby with—

"Say, boss, I had a dream the other night and I don't like the color of it."

"What's your trouble, George?" interrogated the gentleman.

"Well, boss, it's this way: you Gold Democrats and Republicans have lused together and there ain't going to be any money in the pot for us fellows. You'll sandwich a Republican here and a Democrat there, and the jig is up with us poor devils."

"No, sir; there won't be any money on the market 'lection day. I seed the whole business in my dream."

FEDERAL COURT

How Judge Alton B. Parker Impressed His Hearers

When Judge Cochran opened the Federal Court yesterday morning the Courthouse was well filled by prominent citizens, together with quite a number of ladies who graced the occasion by their presence.

The stellar attraction was Judge Alton B. Parker, a distinguished lawyer and late Democratic candidate for President, who appeared as counsel in a cause of National importance.

Judge Parker is a large, portly gentleman of commanding presence, is a fluent, graceful and entertaining speaker, and a learned expounder of the law.

He argued in a terse, forceful and convincing manner, backing up his assertions with law and facts.

In addressing the Court he had the profound attention of the assemblage.

Hon. Frank Reed of Chicago is a noted patent lawyer, and on this occasion was conversant and perfectly at home with the matter before the Court.

After the arguments were concluded Judge Cochran announced that owing to the prime importance and far reaching questions involved he would take time to digest and give subject his careful thought before rendering a decision.

The cause of the Tuggle Lumber and Land Co. v. Mineral Development Co. was settled.

The cause of Embry v. Estill county will be heard at another time.

THE Board of Education of Covington evidently regards the "know how" of drawing tea of far greater importance to a young lady than the know how of drawing the picture of a pet poodle.

REPORTS coming from the Government Printing Office at Washington indicate that there is need for another "Covode Investigation," such as took place at the close of Buchanan's Administration, when "Corny" WENDELL squandered Uncle Sam's millions in that big Graft Shop.

THAT'S a decidedly "Holy War" in Caucasia which prompts its participants to throw the mutilated bodies of children to dogs.

THE caliber of the average Union Labor "Striker" of modern build is aptly illustrated by the outbreak at Newport this week. It will be recalled that there was a bitter struggle about a year ago between the owners and operatives of the Newport Rolling Mill. With the merits of that controversy, this writing has nothing to do. There were repeated scenes of turbulence, and the owners found no protection at the hands of the Police, for the reason that the latter were dominated by the Labor Leaders. Finally, the owners agreed to "sell out" the plant to the strikers, and after much difficulty the workmen formed a co-operative organization, raised the necessary funds, bought out the arrogant "bosses," and the latter crossed to Cincinnati, I believe, and started another shop. Now for the sequel. A few days ago the "scrap pilers"—a part and parcel of the stockholders in the Mill—demanded more pay! The former strikers, now converted into "bosses," had learned that business had to be conducted on a purely dollar-and-cent basis, and the demand was refused. The scrap pilers immediately struck. Shortly afterward, the mutual bosses agreed to take part of them back, but they wouldn't hit a lick until every one in the bunch was given his old job. And here is the anomaly of a lot of men striking against themselves! Wonder what sized dividends the striking stockholders will draw on their shares in this wonderfully constructed co-operative concern?

A FOOLISH PLAN

"Tis a joy to eat—I welcome my dinner hour; Because I rout indigestion with August Flower!
Constipation is the result of indigestion, biliousness, flatulency, loss of appetite, self-poisoning, anemia, emaciation, uric acid, neuralgia in various parts of the system, catarrhal inflammation of the intestinal canal and numerous other ailments that rob life of its pleasures if they do not finally rob you of life itself.
"I'm bound in the bowels," is a common expression of people who look miserable and are miserable—yet who persist in "letting nature take its course."
What a foolish plan, when nature could be aided by the use of Green's August Flower, which is nature's own remedy for constipation and all stomach ills.
August Flower gives new life to the liver and insures healthy stools.

OPERATIONS AVOIDED

Two Grateful Letters from Women Who Avoided Serious Operations.—Many Women Suffering from Like Conditions Will Be Interested.

When a physician tells a woman, suffering from ovarian or womb trouble, that an operation is necessary it, of course, frightens her.

The very thought of the operating table and the knife strikes terror to her heart. As one woman expressed it, when told by her physician that she must undergo an operation, she felt that her death knell had sounded.

Our hospitals are full of women who are there for ovarian or womb operations!

It is quite true that these troubles may reach a stage where an operation is the only resource, but such cases are much rarer than is generally supposed, because a great many women have been cured by Lydia E. Pinkham's Vegetable Compound after the doctors had said an operation must be performed. In fact, up to the point where the knife must be used to secure instant relief, this medicine is certain to help.

The strongest and most grateful statements possible to make come from women who, by taking Lydia E. Pinkham's Vegetable Compound, have escaped serious operations.

Margrite Ryan, Treasurer of St. Andrew's Society, Hotel English, Indianapolis, Ind., writes of her cure as follows:

Dear Mrs. Pinkham:—
"I cannot find words to express my thanks for the good Lydia E. Pinkham's Vegetable Compound did me. The doctor said I could not get well unless I had an operation for ovarian and female troubles. I knew I could not stand the strain of an operation and made up my mind I would be an invalid for life. Ask Mrs. Pinkham's Advice—A Woman Best Understands a Woman's Ills.

Hearing how Lydia E. Pinkham's Vegetable Compound had saved other women from serious operations I decided to try it, and in less than four months I was entirely cured; and words fail to express my thankfulness."

Miss Margaret Merkley of 275 3d Street, Milwaukee, Wis., writes:

Dear Mrs. Pinkham:—
"Loss of strength, extreme nervousness, severe shooting pains through the pelvic organs, cramps, bearing down pains, and extreme irritation compelled me to seek medical advice. The doctor, after making an examination, said that I had ovarian trouble and ulceration, and advised an operation as my only hope. To this I strongly objected—and I decided as a last resort to try Lydia E. Pinkham's Vegetable Compound.
"To my surprise the ulceration healed, all the bad symptoms disappeared, and I am once more strong, vigorous and well; and I cannot express my thanks for what it has done for me."

Ovarian and womb troubles are steadily on the increase among women—and before submitting to an operation every woman should try Lydia E. Pinkham's Vegetable Compound, and write Mrs. Pinkham at Lynn, Mass. for advice.

For thirty years Lydia E. Pinkham's Vegetable Compound has been curing the worst forms of female complaints, all ovarian troubles, inflammation, ulceration, falling and displacement of the womb, leucorrhoea, irregularities, indigestion and nervous prostration. Any woman who could read the many grateful letters on file in Mrs. Pinkham's office would be convinced of the efficiency of her advice and Lydia E. Pinkham's Vegetable Compound.

The Greenwood is the Pomeroy packet tonight.

The Greenland is due down today from upper points.

Several new staterooms will be added to the steamer Virginia, during her lay-up in the Cincinnati harbor.

The Cincinnati Marine Ways has plenty of work repairing the various steamers during the low water season.

The Tacoma carried over two thousand passengers last month in the Cincinnati, Pomeroy and Charleston trade.

Captain Thomas Bennett of the steamer Greenwood has gone on a vacation. Captain Drew Edgington is now in temporary charge of that boat.

Several of the towboats which have been laid up at Cincinnati during the low spell of water will be sent as far up the river as possible with tows of empties for the mines.

Captain Thomas Wright of the towboat R. P. Gilham is having a yacht built to be run by a kerosene engine, to take the place of a yawl in which the crew will make errands to the shore.

A general meeting of the members of the Cincinnati Chamber of Commerce was held yesterday to consider the advisability of erecting ice piers in the river there for the protection of floating craft during the ice season.

About 2,500,000 bushels of coal has been started South from Pittsburgh. The Combine sent out ten tows with the steamers Charles Brown, Exporter, Coal City, Tom Dodsworth, Joseph Walton and Sam Brown. The Dilworth Coal Company sent out the W. H. Flint, and the United Coal Company the Helen White.

The rise out of the Pittsburgh District will not help the Kanawha boats any. Several of them have been laid up on account of the low stage of water. There is but 3 feet of water at Pt. Pleasant. The Robert P. Gilham and the E. R. Andrews are laid up at the mouth of the Great Kanawha at Pt. Pleasant and the D. T. Lane and W. B. Calderwood are laid up at the mouth of Campbell's Creek.

The Raymond Horner, Josh Cook and Boaz have gotten into the Pittsburgh harbor with their tows of empties.

The J. T. Hatfield raised two sunken flats near Portsmouth, which went down during a high wind in March last.

Lock No. 3 on the Kanawha river will be closed either Thursday or Friday to permit the placing of two new gates.

The C. Jutte Coal Company started from Pittsburgh Wednesday the Crescent with nine barges. The Combine also started South two more tows.

It is said a man in Catlettsburg has sued the C. and P. Packet Company for \$99 for pulling out a valuable willow tree, which a line was made fast to.

The present rise is one of the most unusual ever heard of in the Ohio Valley. The rivers are usually very shallow at this time of the year and will not allow of the passage of the lightest draft boats.

Captain William D. Kimble, the well known purser of the Virginia, has just bought nice property in the city of Vanceburg, to which place his parents will move from the farm in Ohio. Mr. Kimble also owns a fine farm a short distance below Vanceburg.

The steamer Greenland, the Charleston-Pittsburgh packet, has entered the Pomeroy trade, taking the place of the Henry M. Stanier, which will be repaired. The Greenland is commanded by Mrs. Mary B. Greene, who holds the unique distinction of being the only active woman master and pilot on the Western waters.

Master John D. Becraft, a sprightly lad of Aberdeen, lost his right leg by bloodpoison some time ago, and is now trying to secure enough money to buy an artificial one.

He is a manly little fellow, worthy of assistance, and his appeal should meet hearty response. A trifle from each will accomplish the result.

Donations may be left at The Ledger Office, and all sums, however small, will be gratefully accepted.

CAPTAIN DRAVO DYING

Waterways Nearing the Pa.

It is said that Captain Dravo, the most enthusiastic of the waterways, is at the point of death at his home.

Dravo is known along the river as a lobbyist for the river interests in the Ohio.

He has been one of the most strenuous advocates for the improvement of the Ohio and is known to every Congressman in the Ohio.

Dravo is 86 years old and his illness is the result of a cold contracted some weeks ago in spite of his strong constitution.

He is remembered by a number of our readers as one of the most genial members of the Ohio River Committee on its inspection of the river last spring.

Mrs. Palmer of Sardis died last night.

Mr. A. R. Burgess of Kansas City arrived last evening.

Miss Josie Kilpatrick gave an outing last evening on the Tenas Kiochman in honor of her guests, Misses Dimmitt Kilpatrick and Agnes Willibrink. About ten couples enjoyed a ride to Manchester where they were met and escorted to the home of Miss Ball and the evening spent in dancing. They returned home about two o'clock this morning.

At Pewee Valley near Louisville, yesterday, a horse attached to a surrey occupied by Mrs. J. M. Kirk and two children and a visitor, Mrs. Thompson, of Texas, was probably fatally injured by contact with a live electric wire. The wire fell against the trolley wire of an interurban road and struck the horse, knocking it down and inflicting burns. The occupants of the surrey escaped injury. Mrs. Kirk is the wife of Mr. John M. Kirk, Traveling Freight Agent of the Rock Island System, who is frequently in Maysville, stopping over here for a short while Wednesday.

STEWART—ROSENHAM.

Last evening at 6:45 the delightful home of Colonel and Mrs. Charles L. Rosenham of West Fourth street was the scene of a quiet, pretty wedding.

The occasion was the marriage of the Colonel's handsome and accomplished daughter, Miss Bertha, to Mr. A. B. Stewart, a prominent young business man of Atlanta, Ga.

The home was appropriately and becomingly decorated in honor of the most important event in the lives of the contracting parties.

Promptly at the appointed hour Rev. C. W. Chadwick of the First Baptist Church performed the marriage ceremony in an impressive and touchingly beautiful manner, after which a wedding supper was served.

The happy groom and bride will leave tomorrow morning for their future home in Atlanta, carrying with them best wishes of a host of friends in this city.

Therefore let you know that I shall recommend them to any one suffering from such troubles." Chas. H. Halpern, 114 E. 7th St., New York, N. Y.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

**BABY'S AWFUL
ITCHING ECZEMA**

Sores All Over Face and Body—
Could Not Tell What She Looked
Like—Unable to Sleep—Grew
Worse Under Doctors.

**CURED BY CUTICURA
IN ONE MONTH**

A grateful mother, in the following letter, tells of another of those marvelous cures by Cuticura: "When my baby was four months old her skin broke out with a humor. I took her to a doctor, who said it was eczema. He gave me medicine to give her, but she kept getting worse all the time. Her little face and body were so covered with sores and large scales you could not tell what she looked like. No child ever had a worse case. Her face was being eaten away, and even her finger nails fell off. Then it itched so she could not sleep, and for many weary nights we could get no rest. At last we got Cuticura Soap and Ointment, first bathing her in warm water with the Soap, and then spreading on the Ointment with soft cloths. I saw a change in a week. The sores began to heal, and she could sleep at night, and in one month she had not one sore on her face or body. Any mother having children with eczema or humors will find a friend in Cuticura Soap and Ointment. (signed) Mrs. Mary Sanders, 709 Spring St., Camden, N. J., Aug. 14, 1904."

The foregoing statement justifies the oft-repeated assertion that Cuticura Soap and Ointment afford instant relief, and permit sleep for baby and rest for tired mothers, and points to a speedy, permanent, and economical cure, when all else fails, in the most torturing, disfiguring, itching, burning, bleeding, scaly, crusted, and pimply skin, and scalp humors. Cuticura Soap, Ointment, and Pills are sold throughout the world. Potter Drug & Chem. Corp., Boston, Sole Proprietors.

Mrs. Polly Hampton, aged 86, was dead in bed at her home near Maysville, Tuesday morning.

HAPPY WOMEN.

Plenty of Them in Maysville, Good Reason For It.

Wouldn't any woman be happy after years of backache suffering, Days of misery, nights of unrest, The distress of urinary troubles, She finds relief and cure?

No reason why any Maysville reader Should suffer in the face of evidence like Mrs. Lizzie Burns, living on the Blue Turnpike, West End, Maysville, Ky., says: "My opinion of Doan's Kidney Pills which expressed through our newspapers in the spring of 1900 has not altered. I value the preparation more highly today than I did when I gave my first testimonial. Before I got Doan's Kidney Pills at J. James Wood & Son's Drugstore I was troubled with severe backache and kidney complaint, came on every three or six months, and were times when I was confined to bed and rendered almost helpless. The quick decided benefit I received from Doan's Kidney Pills was wonderful. I have noticed a return of backache since, but an occasional Doan's Kidney Pills has never failed to positively check the trouble. In case I know among my friends when Kidney Pills have been used the result always been satisfactory."

For sale by all dealers. Price 50 cent. Foster-Milburn Co., Buffalo, N. Y., sole for the United States.

Remember the name—Doan's—and substitute.
